

How can IntelliGuard help you?

as a Visitor?

Experience Easy & User-Friendly Procedures:

Our system is designed with simplicity in mind, ensuring a hassle-free experience for both entry & exit. Say goodbye to complicated processes & enjoy a seamless journey through IntelliGuard.

Save Time with Prebooking Codes:

Don't let your visitors waste unnecessary time checking in at the gate. With our system, you can prebook your visitors & give the QR codes or pin codes which they can use to access the gate, saving time & effort.

Friendly Guidance System for Visitors:

We understand the importance of clear instructions at the gate. Our system features a friendly guidance system that assists your visitors every step of the way, ensuring they follow the proper procedures with ease.

Designed to prioritize **simplicity, speed, and user satisfaction.**
